## Boise's Proposed Neighborhood Branch Libraries

Boise opened its current library 30 years ago. Since then, the population it serves has tripled. Boise is the only U.S. city of its size without branch libraries.

On February 7, a Boise Library Bond Measure will appear on the ballot. If approved, the bond will be used to construct three neighborhood libraries.

To learn more, visit [www.boisepubliclibrary.org](http://www.boisepubliclibrary.org), or pick up a brochure at the library.

All programs are free of charge and open to the public. Registration is not required unless noted.
