I attended the Boise Metro Chamber of Commerce “Small Business Community Resource Partners” event this week. It was one of the most valuable events I have been to as a small business owner. It was a one-stop-shop that is much appreciated *especially* with our hectic summer schedules. Small Business Success Center, thank you for your efficient and determined process and willingness to create a new program for your members. Each partner did a great job of presenting a power packed three minutes that was *full of tools* for business owners and certainly created much interest as I have contacted several of the partners already. Thank you so much for all you are doing to help small business owners excel!

Thank you!

*Inspiring excellence through focused action,
Johnna Johnson*
