Bailey-White gave an overview of the history of the Commission and the services offered through them to libraries throughout the State of Idaho.

Tomlinson explained his role as a Field Consultant for the Commission. Field consultants help libraries with library law, policy, board meeting law, and succession law. Tomlinson reviewed with the Trustees the sections of Title 33, Chapter 26, Idaho Code that pertain to city libraries. Trustees inquired about the differences between a city library and a library district and the process of becoming a district.

City of Boise Attorney Kelley Fleming briefed the Trustees concerning Boise City Code as it relates to library laws. Fleming indicated that most of the City Code pertaining to the library had not been updated since 1952 and that an updated draft would be brought before the Board soon.

6. Reports
   a. **Friends of the Boise Public Library**
      Cross reiterated that the Friends would like to be involved in the search for the new director.
   b. **Boise Public Library Foundation**
      Healy shared that the Foundation did not meet in December. Healy asked that one of the Trustees consider replacing her as the Library Board Liaison with the Foundation. The group meets on the second Tuesday of the month at 10:30 a.m. but do not meet July, August, or December.
   c. **Library Director’s Report Including Administration and Management**
      Miller informed the Trustees that an overlap period was provided by Booe before his retirement. Her observation is that staff are phenomenal and things are under control. Miller attended the noon year celebration hosted by Youth Services. Approximately 350 children and parents joined in the event which included a balloon drop!

      Miller revisited the question posed by Magnuson at the December 12, 2019 meeting. A thorough explanation was provided in the Director’s Report in the meeting packet. The Boise City Council decided at its December 17, 2019 meeting to not rebudget funding for the library project as presented. This resulted in the Fiscal Year 2019 rebudget amount of $480,105. Deferred maintenance for the Main Library will be part of the budget build for Fiscal Year 2021, set to be completed in March and reviewed by Council in June. Assumption for budget planning is that the Main Library will be in its current building for some time.

7. Old Business
   a. **Boise Public Library Policy Review:**
      **Section 3.00, Services, Subsection 3.04-3.05**
      Kelley-Chase reviewed section 3.00, Services, specifically subsection 3.04, Interlibrary Loan and subsection 3.05, Homebound Services of the Boise Public Library Policy Manual with the Trustees. The staff recommends no changes to this section of the policy manual.

      Kelley-Chase noted subsection 3.04, Interlibrary Loans included mention of a .25 cent fee that will be removed since the Library is no longer charging for fines.
This continues the Library Board of Trustees annual policy review for Fiscal Year 2020 as stipulated by the Board’s bylaws.

Healy stated that this item is put on hold. The process is moving forward but asked that the Trustees be patient. With only one executive search firm response to staff no decision will be made at this time.
