SERVICE PRIORITIES

The following services are essential to achieving the Library’s mission to assist members of the community in educating themselves and enhancing their personal, business, and social well-being:

- Access to facilities during convenient hours
- Access to a collection of current materials, both physical and digital
- Access to technological resources, particularly the Internet
- Programs, particularly those that support early literacy or lifelong learning
- Reference and information services

To support these service priorities the Library must manage its staff effectively, make sound decisions for the development and maintenance of its collections and physical spaces, and engage in promotional activities designed to make the public aware of these services.
