Ruby has noticed improvements in interactions with the homeless and has watched coworkers building trust and respect with this group of customers.

6. **Reports**  
   a. **Friends of the Boise Public Library**  
      Renner provided an update on the Friends of the Library. The group is preparing for the spring book sale. Bookmarks were made available for attendees to hand out in the community. A poster service will be employed to distribute posters in the community, but suggestions would be appreciated. In the past, over $40,000 has been raised at this annual sale. At the conclusion of the sale non-profits are given an opportunity to take remaining stock.
   b. **Boise Public Library Foundation**  
      Booe reported that the Foundation continues to talk about the fundraising campaign and strategy. Current commitments for the project amount to $12.5 million. The Directors have formed a communication subcommittee and financial investment subcommittee.
   c. **Library Director Report Including Administration and Management**  
      Booe shared that Mayor Bieter has kicked off his Boise Kind campaign and will be at TreeFort spreading the message. Booe, Rob Bousfield, and the Mayor, have been doing presentations on the new Main Library throughout the community. The feedback from these interactions has been positive.
Boee reported that the week following the Friends book sale will be National Library Week, April 7-13. Promotional activities are planned at the Library during the week.

Upcoming author visits in the community include Tommy Orange on March 22 and Erin Hunter on May 13. Tommy Orange is the author of *There, There*, this year’s Treasure Valley Reads selection, and Erin Hunter is a collective of ten writers who write juvenile fantasy novels.

7. **Old Business**
   a. **Boise Public Library Policy Review: Section 4.00, Use of the Library, Subsections 4.01-4.02a.**
   Boee asked the Trustees if they had any changes to section 4.00, subsections 4.01-4.02a of the policy manual. Staff recommended no changes to the subsections.

   This continues the Library Board of Trustees annual policy review for Fiscal Year 2019 as stipulated by the Board’s bylaws.

   b. **Main Library Vision Project Update**
   Wilson shared that schematic design on the project is moving forward and a workshop with the design team will occur in April. Floor plans are being refined with the team ensuring they meet program goals.

   An update on the retention of the current building during construction was requested by the Trustees. It was reported that an analysis is being conducted to determine costs associated with continuing in the current location or moving to a temporary location. Staff and customer safety are the number one concerns with the main goal being to continue service during construction.

8. **New Business**
   a. **Fiscal Year 2019 Strategic Plan Progress Report**
   Decker reviewed the initiatives and reported on the progress of the Library’s Goals and Objectives for Fiscal Year 2019. Staff have completed many of the items from the strategic plan. Trustees inquired about the holds kiosk. Booe indicated only one kiosk is in operation at City Hall as a test with City employees. Discussions on additional locations are on-going. Clarification that statistics from the kiosk count as circulation and not as a customer visit was made.
