BOISE PUBLIC LIBRARY Library Director's Report

November 2022

Operations

Hours and Services Status

During October we had two adjustments to our service hours:

- The Library! at Cole & Ustick closed on Tuesdays and Thursdays at 6:00pm due to staffing capacity. The branch was able to extend to 8:00pm starting November 1st.
- The Library! at Collister closed on Tuesday, October 25th at 6:00pm due to staff capacity.

Finance

The City of Boise has proposed a new format for the city's quarterly financial report. This new format is designed to provide greater clarity and understanding for council and the public. This new format will be used with the Q1 2023 financial report. Eric Bilimoria, Budget Division Senior Manager, presented to city council on this new report during a <u>work session</u> on October 25th. (Eric's presentation starts about the six-minute mark.)

City Council

I provided an update to city council on the Library's strategic planning process during their October 18th work session. (My remarks begin about the 51:00 mark.)

Annual Report to the Idaho Commission for Libraries

Every year the Idaho Commission for Libraries (ICfL) works with public libraries to collect and release Idaho Public Library Statistics. The report is a compilation of statistical data from all Idaho public libraries, such as location, hours, collection and staff size, connectivity, circulation, square footage, and funding. This information is useful at the state and national level to track trends year over year and to compare libraries across the state.

ICfL opened their annual data reporting window on October 28th, and have asked public libraries to submit data by January 1st. There is only one updated question this year and one changed collection field.

- There is a new question in section 12: As of the end of the reporting period, does the library charge overdue fines to any users when they fail to return physical print materials by the date due?
- The collection period on views of Asynchronous programs has increased from 7 days to 30 days.

Administration and Management Reports:

Programming

All locations held spooky or harvest themed events for library users of all ages...activities

Policy items reviewed and presented are as follows:

SECTION 2.00, Personnel

- Policy 2.01, Personnel
- Policy 2.02, Continuing Education

Staff Recommendations:

Section 2.00, *Personnel* of the Boise Public Library Policy Manual is presented to the Library Board for review. Staff have no recommended changes on the policies presented.

Document Type: Policy
Number: 2.01
Effective: 03-01-11
Revised: 12-02-15

PERSONNEL

The Board follows the personnel policies of Boise City, as outlined in the Boise City Employees Handbook.

The Board has sole responsibility for hiring, supervising, and evaluating the Director, who serves at the pleasure of the Board.

Nevertheless, the Board expects members of the Library's management to bring serious concerns related to the Director's job performance to the attention of the Board. These concerns would include: 1) job performance that clearly does not meet the job description or job performance standards adopted by the Board; 2) intentional actions by the Director that circumvent the written library policies as adopted by the Board; 3) the creation of a hostile, harassing, or threatening work environment whether as an ongoing practice or a single incident; 4) unethical or illegal actions or behavior.

The Director and supervisory staff have the authority to dismiss any library employee whose attitude, professional ethics and conduct, or performance of duties make such action advisable. The Director and supervisory staff shall follow the personnel policies of Boise City when exercising this authority, as outlined in the Boise City Employees Handbook.

The Library is committed to providing equal employment opportunities for all persons.

Document Type: Policy
Number: 2.02
Effective: 03-01-11
Revised: 03-01-11

CONTINUING EDUCATION

The Board encourages the personal and professional development of staff members through participation in civic, educational, and professional organizations. Attendance at library institutes and the conferences of library associations may be financed within the restriction of the Library's budget. Insofar as it is feasible, attendance at conferences will be rotated among eligible staff members.

All non-probationary members of the staff, regardless of job classification, are eligible to apply for permission to attend work-related conferences, workshops, and classes on library work time. Exceptions for introductory or temporary staff may be made at the discretion of the Director or designee. Opportunities for training will involve as many people on the staff as feasible given budgetary and staffing constraints. Priority will be given to training that supports Library strategic plan activities and/or supports an individual employee's approved performance plan for work-related training.

Boise Public Library FY 2023 Interim Budget Changes (IBC) November 9, 2022

Interim budget change (IBC) items are off-cycle requests to adjust current budget and are vetted through the following process:

- 1. Department identifies need and submits request to the Budget Office
- 2. Budget Office performs necessary due diligence, prepares narrative, and sends to Mayor's Office
- 3. Mayor's Office reviews requests and places on Executive Management Team (EMT) agenda
- 4. EMT offers final recommendation for City Council approval

The Library has applied for and been awarded two grants from the Idaho Commission for Libraries. A budget increase for the general fund and heritage fund to accept these grants is outlined below. This request is a revenue neutral request as the Library is seeking an increase in both its revenue and expenditure accounts. If approved by the Library Board of Trustees and presented to Council, this request would be considered at the December 13, 2022 Boise City Council meeting.

Library (General Fund)-Travel: \$6,000 (one-time) (Heritage Fund)-Program Cost: \$30,000 (one-time)

The Library requests approval for a one-time, revenue-neutral \$36,000 appropriation to enhance summer learning at the Library and train staff on best practices around summer learning programs. This is funded through two grants from the Idaho Commission for Libraries for travel costs to the National Conference on Summer Learning (\$6,000) and a Summer Learning Grant (\$30,000).

These grants will help staff expand the Library's summer learning program and facilitate summer learning to help combat the negative impact and learning loss that stemmed from the pandemic. These funds come from a federal passthrough grant, administered by the Idaho Commission for Libraries (ICFL) and are available specifically to increase the impact and reach of summer learning programs in Idaho to children from underserved or underrepresented populations.

Fiscal Year 2022 Rebudgets

Rebudgets enable departments to carry forward unspent funds from the prior year into the current year. Each year, as part of the End of Year process, departments work with Finance Managers to submit rebudget requests to the Budget Office. Similarly, departments request to carry forward encumbrances from the prior fiscal year into the current fiscal year as part of the End-of-Year process. The Budget Office compiles these requests for Mayor's Office review, and ultimately for City Council approval in mid-December.

Overall rebudgets have been climbing in recent years due to numerous factors, including supply chain issues and contractor or FTE shortages.

The rebudget requests we are submitting for approval by the Board of Trustees follow the guidelines put forward by the Budget Office including:

- All rebudget requests should support high priority items
- Personnel rebudgets are generally not allowed as these costs are included in the base budget
- Rebudget requests for M&O Funds generally should not be submitted when annual base funding exists (e.g., supplies, utilities, etc.).
- Funds should be rebudgeted no more than once (does not apply to multi-year capital projects).

BOISE PUBLIC LIBRARY

MAYOR: Lauren McLean | DIRECTOR: Jessica Dorr

December XX, 2022

Idaho Board of Library Commissioners, Office of the Mayor, City Council, and residents of Boise:

In accordance with Idaho statute Title 33, Chapter 26, Section 2611, and on behalf of the Board of Trustees, it is my duty to submit this report on the operations of the Boise Public Library for fiscal year 2022. The report is the product of a close collaboration with the Library Director and Staff, which involved detailed reviews of revenue, expenditure, and usage statistics at the end of each fiscal month, as well as an annual roll-up review upon fiscal year end.

Fiscal year 2022 saw the recovery of library operations to a more normal state following the disruptive impact of the pandemic in 2021. Circulation of books, total circulation, and patron count were up +36%, +22%, and +77%, respectively, compared to the prior year. Similarly, the number of programs offered and total program attendance were up +189% and +92%.

The library financial results reflect strong expenditure discipline and control across the fiscal year. Spending did not exceed budget in any major category. In general, underspending was driven by two factors: (i) a persistent challenge reaching and maintaining budgeted staffing levels; (ii) a large backlog and waiting list for execution of capital projects.

All employees of the library faced challenges navigating the evolving needs of Boise residents for library services across the pandemic years. Overcoming these challenges required dedication, hard work, flexibility, and creativity. We should all be proud of the accomplishments of the library team in 2022.

Brian Klene President, Board of Trustees
